

## Student Services Building – “Campus Alert” for August 8, 2011

Jacobsen Construction will need to close off access to the main campus road south of the existing Student Services Building (see orange construction limits) including 2 rows of parking which will remain permanently closed from August 8, 2011 until November 2012. All vehicular traffic will need to detour around the orange construction limits (see red arrows) for access to the east side of the campus.

We thank you for your patience and assistance during this construction project! If you have any questions please feel free to contact the office at 974-7750.
